### ABOUT ME

---

Results-driven Frontend Developer with experience in building responsive and high-performance web applications. Specialized in modern frontend technologies including HTML, CSS, JavaScript, and React.js, with a strong focus on creating intuitive and visually engaging user interfaces. Experienced in developing responsive layouts, optimizing user experience, and integrating APIs to deliver dynamic web applications. Adept at translating design concepts into functional interfaces while ensuring performance, accessibility, and cross-browser compatibility.

### WORK EXPERIENCE

---

**Robenn Interiors – Nairobi, Kenya**

#### Customer and Sales Support Representative

[ 15/04/2023 – 09/2024 ]

- Provided customer service support, processed orders, and managed client communications.
- Supported sales operations by coordinating with sales and marketing teams to align promotional strategies.
- Contributed to improved customer experience through clear communication and efficient follow-up.

**Robenn Interiors – Nairobi, Kenya**
